#### Data Protection Statement

NISO, as data controller, will store the information you provide on its database and fully respect the confidentiality of any personal data provided. We will process any personal data you provide to us for the following purposes:

- to provide you with the goods or services you have ordered or requested;
- to contact you if required in connection with your order or to respond to any communications you might send to us;
- to send you the newsletters/event alerts/health & safety information and to communicate with you about organisational activities.

We will not disclose your personal data to third parties unless you have consented to this disclosure or unless the third party is required to fulfill your order (in such circumstances, the third party is bound by similar data protection requirements). We will disclose your personal data if we believe in good faith that we are required to disclose it in order to comply with any applicable law, a summons, a search warrant, a court or regulatory order, or other statutory requirement.
