## **The National Irish Safety Organisation CLG Annual General Meeting 2020**

5 May 2020

Dear member,

Last year's Annual General Meeting took place on 6 April 2019 and in accordance with article 8 of the Articles of Association within our Constitution, this year's Annual General Meeting should be held no later than fifteen months from the date of last year's AGM.

We originally planned to hold the AGM on 25 April but had to defer this due to the COVID-19 crisis and Government Guidelines. We indicated our intent to hold the AGM on 25 June. This revised date is not now possible due to the renewed Government Guidelines issued on 1 May 2020.

In accordance with these renewed Government Guidelines, travel outside of a person's region will not be permitted until 20 July. Therefore, if our AGM was to take place within the fifteen-month period as outlined in our Constitution many of our members, Executive Committee members and Directors would not be permitted to travel to attend the AGM.

Taking all the above factors into consideration the Directors have decided that this year's AGM will take place on 30 July 2020 (subject to Government Guidelines). This will allow all who wish to attend the AGM to do so and at this point in time will be fully in accordance with Government Guidelines. We accept that this date falls three weeks outside the fifteen month period as outlined in our Constitution, however, we believe that you will understand and accept that in the present unprecedented circumstances this is unavoidable.

Formal notifications for the AGM will follow in June.

In the mean time, please stay safe.

Yours faithfully,

Harry Galvin  
President  
National Irish Safety Organisation
